17. Custom Fields is where you will set up and edit your forms.
18. Click 'Add Custom Field' to add a new field. Click 'Edit' to change an existing field. Fields that are in Bold are classified as Groups.

Event Funds Locations Preview Apply Template Registration Types **Custom Fields** Additional Items Upload Docs Transmit

FIELD LIST				
Priority	Title	Fee	Type	Manager Field

19. The first item you enter will have to be of the type "Group" that will provide the heading and will be used to group similar info. You need to click the radio button for the group to be visible for which registration types.
- Once the first group is added, additional types will be available.

Item Information

Item Title:

Report Title:

Internal report title (optional)

Fee:

Type: Group

Parent List:

Manager Field:

Hide Group Title:

Select Types to associate with this Item and check if required

Registration Types	Off	Visible	Required
Adult Staff	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Camper	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

20. The group will look like the item to the right. You can then enter other items under this group.

When adding a new field do the following:

21. Enter Item Title.

22. Select whether or not a fee will be charged for this field (most fields are non-fee fields). If you set the field to be a fee field, the fee will be charged in addition to your registration fee. This would be useful if you are offering an optional item, service or event.

23. Definitions of Field Types:

Checkbox: Allows member to choose as many options as he/she would like.

Date: Date format

Decimal: requires a decimal point (good to use with money, etc)

Drop Down List: Allows the member to choose one option from a list.

Email: email address

File Upload: Allows the member to upload a file (picture, scanned document, etc)

Group: Sets up the field as one of the bolded headings on the form.

Multi-Line Text: Text box with unlimited space.

Number: Only allows numbers

Phone: phone number

Radio Button: Allows member to choose one of many choices.

Single-Line Text: Text box with only one line.

Social Security Number: DO NOT USE

Title Bar: Use to enter instructions

Zip: Zip Code

24. For the Checkbox, Drop Down List, and Radio Button, click 'Save' to add options.

25. Choose to make the field Visible or Required for each appropriate Registration Type and Age Division. Members must enter the required information in order to submit their registration.

Option Title	Max Available - Number of items available for registration
Workshop One	0 0 for unlimited

26. Click save and close and you will see the field list.

FIELD LIST					
Priority	Title	Fee	Type	Manager Field	
♦ ♦	Workshop Choices		Group	False	Edit
1	Morning Workshop First Choice		Drop Down List	False	Edit
2	Morning Workshop Second Choice		Drop Down List	False	Edit

27. Additional Items: this area is optional. This is for any fields that you would like to add to Entry-Based registrations that will be unique.
