

Street Art

You will need

1. White book mark, paint brush, lid, news paper, strip of card stock, spray paint.
2. Lightest color goes down first.
3. Too much paint will run, and smear.

*Spray darker colors around lid

*Move back and forth to create the ocean waves.

*Lay down colors in this order

1. Yellow
2. Orange
3. Red
4. Black

*Use your brush in upwards strokes to paint the grass

*Paint on palm tree with brush in your desired location

Street Art

You will need

4. White book mark, paint brush, lid, news paper, strip of card stock, spray paint.
5. Lightest color goes down first.
6. Too much paint will run, and smear.

*Spray darker colors around lid

*Move back and forth to create the ocean waves.

*Lay down colors in this order

5. Yellow
6. Orange
7. Red
8. Black

*Use your brush in upwards strokes to paint the grass

*Paint on palm tree with brush in your desired location

Flower

You will need

* One flower kit (includes, flower, ribbon, clip, center piece)

Directions

1. Take out any plastic within the flower.
2. Place flower together in a desirable fashion, then hot glue it to stay in place.
3. Glue on center piece.
4. Glue ribbon to clip.
5. Glue flower to clip.

Headbands

You will need

*Two headband packets (including knee high nylon and ribbon) needle and thread

Directions

1. Cut of unwanted nylon
2. Fold ends inside each other
3. Sew it together
4. Place ribbon over sewn part
5. Sew down ribbon on back, leaving front open with a slot for the clip to slide through (make sure that it is snug or the flower will droop down)

Ribbon Bow

You will need

*Three fat ribbon strips, three thin ribbon strips, one long thin ribbon strip, clip, center piece, needle and thread.

Directions

1. Make a circle out of one fat ribbon strip
2. Sew down the ends to the center of the ribbon
3. Sew the other two fat strips to the first.
4. Sew thin strips on top of the fat strips using the same method
5. Sew or hot glue center piece
6. Hot glue long thin strip to clip
7. Glue bow to clip
